MOTION BY SUPERVISORS KNABE

June 10, 2003

On June 4, 2002, the County Board of Supervisors approved the Safe Haven Task Force recommendations that included 12 recommendations to effectively implement the Newborn Abandonment Law (SB 1368), often referred to as the "Safely Surrendered Baby Law" in Los Angeles County. Included was a recommendation to expand the number of Safe Surrender sites.

SB 1368 allows the Board of Supervisors to expand the number of Safe Surrender sites beyond the private or public hospital emergency rooms designated by law. Subsequently, the Board has exercised that authority and designated fire stations in 9 cities as Safe Surrender locations. The Board has continued to actively recruit municipal fire departments to participate in the County's Safe Surrender program.

Today, the cities of Redondo Beach and Arcadia are requesting that the Board include their fire stations as Safe Surrender sites:
